About Us

On 13 March 2019 a vision took place in the name of TSNM School. It was a dream come true to Minda Group. The dream of opening a CBSE School under the umbrella of Uno Minda Group. The opening ceremony took place at 9:00 AM on 13th March 2019. It was indeed a special evening where guests, well-wishers, Village's Sarpanches had all gathered to participate in the inauguration celebration.

This school has touched the sky having Japanese delegates as special guests. The ceremony was witnessed by large number of parents and well wishers who had come to grace the occasion. The air was filled with earnest expectations where the brand new beginning marked many firsts.

MESSAGE FROM THE PRINCIPAL'S DESK

**“Live as if you were to die tomorrow.
Learn as if you were to live forever.”-
Mahatma Gandhi ji.**

**“The greatness of humanity is not
in being human, but in being
humane.”**

At the very outset, I would like to thank Mr. President, Sir Nirmal Mindaji and Ma'am, Mrs. Suman Mindaji for having provided us with "The Suman Nirmal Minda School" - an "oasis of excellence" in the otherwise arid field of quality education for the people of Detroj, Ahmedabad and the neighbouring area.

I feel truly blessed and take great pride to be associated with The Suman Nirmal Minda School and welcome you all to this temple of futuristic education.

In this rapidly changing era, it had become very challenging to provide a well-balanced, relevant and modern educational framework to the learners.

Today, TSNMS is not only to pursue academic excellence but also to motivate and empower its students to be lifelong learners, critical thinkers, and productive members of an ever-changing global society.

I strongly believe as an Educationist that "Educating the mind without educating the heart is no education at all."

At TSNMS, we are providing a holistic, student-centric environment to our students for multifaceted development, where children are encouraged to channelize their potential in the pursuit of excellence.

The talents, skills, and abilities of each student is identified, nurtured, and encouraged so that he / she is able to reach greater heights. Students are provided with a platform to think, express, and exhibit their skills.

TSNMS converts every individual into a self-reliant and independent citizen and provides an amalgam of scholastic and co-scholastic activities. Learning is not attained by chance, it must be sought for with ardour and attended to with diligence. The beautiful thing about learning is that nobody can take it away from you.

We allow and give freedom to our students to explore and give them the wings to their DREAMS.

Together we can make the world a better place – We Care.

Cheers & Warm Wishes,
Principal

Investiture Ceremony

On June 28, 2023, our school organised the Investiture Ceremony, where student leaders were given their roles and responsibilities. The atmosphere was brimming with excitement as these young individuals proudly wore their badges and swore to serve their peers. It was a significant moment in their new leadership roles undertaken, inspiring hope and paving the way for positive change in our school. With their new found authority, these students promised to make a lasting impact and foster a thriving environment for growth and success.

Empowering Students: Voice Opinions On Good Touch And Bad Touch In Grievance Meetings

Students were given a platform to voice their opinions and concerns regarding good touch and bad touch. This important discussion allowed students to share their experiences and seek support in cases where boundaries were crossed. By actively involving students in the process, we aimed to foster a safe and inclusive environment, ensuring that every student feels heard and protected. This initiative aimed to empower students to speak up, promoting their overall well-being and reinforcing a zero-tolerance policy towards any form of abuse or harassment.

Father's Day Celebration

Father's Day was celebrated in our school with great enthusiasm and love. Students came together to honor and appreciate their fathers for their unwavering support and guidance. Heartwarming cards and heartfelt messages were exchanged, expressing gratitude for the sacrifices fathers make and the love they shower upon us. It was a day of creating cherished memories and strengthening the bond between fathers and their children.

International Day Against Drug Abuse

We celebrated the International Day against Drug Abuse with great enthusiasm and determination. The students took the center stage, showcasing their talent through a powerful Nukkad Natak performance. With passion and conviction, they portrayed the devastating effects of drug abuse and the importance of making healthy choices. Accompanied by thought-provoking speeches, the young voices echoed the message of awareness and prevention.

International Yoga Day

On June 21, our school enthusiastically celebrated International Yoga Day. The event began with a peaceful and serene atmosphere as students gathered in the school grounds. Under the guidance of trained instructors, we embarked on a journey of self-discovery and well-being through various yoga postures and breathing exercises.

The entire school community actively participated, including students, teachers, and staff. We witnessed the power of yoga to calm the mind, rejuvenate the body, and promote overall health.
