

Activity Report for the Month of May, 2023

FUN WITH PERIPHERAL DEVICES ACTIVITY GRADE I - II

The activity fostered a sense of curiosity and discovery, paving the way for future exploration of the digital realm. Students reflected on their newfound knowledge and expressed excitement about their continued journey into the world of computer devices.

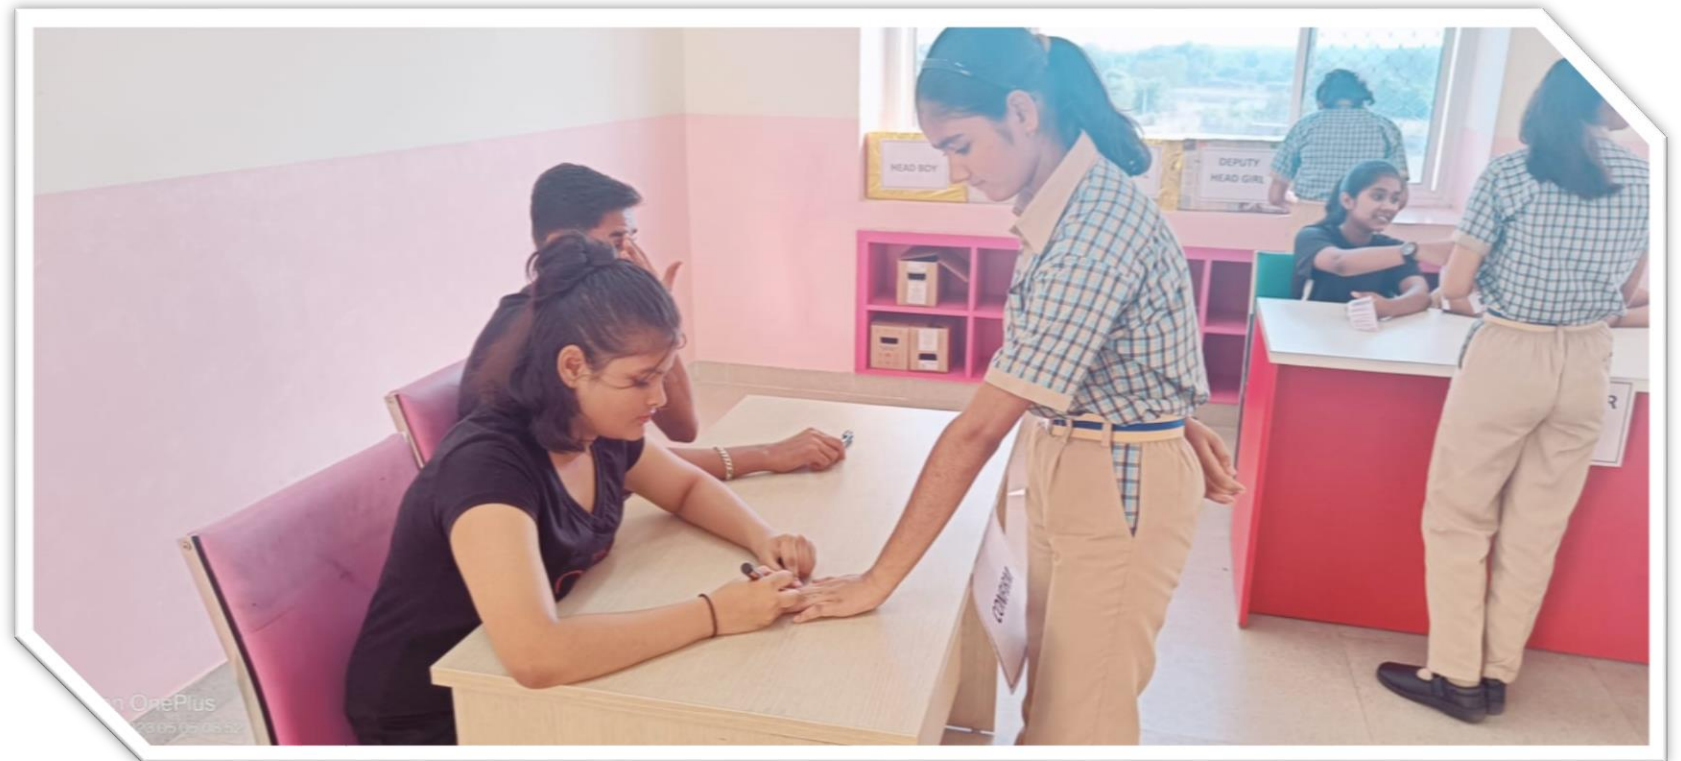

INTER HOUSE MATHS QUIZ GRADE VI-XII

The Inter-House Maths Quiz, spanning across classes 6 to 12, culminated in a resounding success, leaving both participants and spectators exhilarated. The event showcased the students' mathematical prowess, critical thinking skills, and competitive spirit. The quiz, held in a lively and engaging atmosphere, tested the students' knowledge in various mathematical concepts. Each house demonstrated exceptional teamwork, with participants collaborating to solve intricate problems within a limited time frame.

STUDENT COUNCIL MEMBERS' ELECTIONS

The Student Council Elections for the Academic year 2023-2024 was conducted on 5th May 2023. The elections was an exciting and engaging event, with students participating enthusiastically in the process. The Student Council is an essential body that represents the interests of the Student Community, and its Members are elected through a Democratic Process.

HAPPY SUMMER ACTIVITY (PRE-SCHOOL)

Summer is a season for fresh air and bright sunlight which brings along a lot of humidity, to get rid of that our TSNMS pre-schoolers got all dressed up in funky clothes, stylish eyewear, and fancy caps and brought colourful umbrellas and rocked on the ramp with their energetic walk.

SCIENCE SYMPOSIUM GRADE III - XII

The Science Symposium held on May 6, 2023, at our school was a remarkable event that showcased the incredible talent and enthusiasm of students. The symposium provided an opportunity for these young minds to prepare and present diverse scientific models, fostering curiosity, creativity, and a passion for learning.

ASSEMBLY

Presented by - V B : Theme: Keep Pushing Your Limits "Push yourself beyond your limits, That's where the Magic happens"

SHOW & TELL ACTIVITY I - II

The Show and Tell activity held on May 9, 2023, provided an exciting opportunity for students in Grades 1 and 2 to share their favorite objects and stories with their classmates. This interactive session aimed to develop their communication skills, boost their confidence, and encourage a sense of community among the young learners.

SCHOOL PICNIC

The highly anticipated School Picnic has concluded with great success, leaving students and teachers with unforgettable memories. The day was filled with excitement and joy as the entire school community gathered for a day of fun and adventure. Students from different grade levels came together, fostering a sense of unity and camaraderie. The picnic offered a range of activities, including outdoor games, team-building exercises, and nature exploration. Students participated in thrilling sports competitions, enjoyed rides, and engaged in friendly matches, fostering teamwork and sportsmanship.

SUMMER CAMP

The Summer Camp at TSNMS School has concluded with resounding success, leaving students with cherished memories and a wealth of new experiences. The camp provided an enriching and engaging environment for students to explore various activities and expand their horizons. From outdoor adventures to creative workshops, the summer camp offered diverse opportunities. Students participated in thrilling sports activities, such as Cookery, Stich Art, Mehendi Art, Pottery, Shlok Uchcharan, and Sports Activities like Skating, Archery, Cricket, Football, and Basketball fostering physical fitness, teamwork, and a spirit of healthy competition.?
